Agenda

AI4Good Cowork Forum & BAAI Introduction

AI Compute Faculty Development Initiative – 2026 2nd Cohort

Date & Time
October 15, 2026
14:00 – 17:00 (3 hours)

Location
Zhongzhi Park
Zhongguancun Dongsheng Science & Technology Park
(3rd Floor, Building C)

Participants: 50+ university faculty members from around the world

Part 1: BAAI Introduction

Time	Speaker	Topic
14:00 – 14:30	Lin Yonghua	BAAI Introduction: Institutional Overview, Mission and Research Directions

Part 2: AI4Good Cowork Forum

Time	Speaker	Topic
14:30 – 15:10	Feng Zhengpeng Beijing Academy of Artificial Intelligence (BAAI)	Earth Spatiotemporal Large Model: Introduction and Global Co-building
15:10 – 15:50	Lighton Phiri University of Zambia	Semi-Automated AI Approaches for Efficient and Effective Radiological Workflows in Low Resource Settings
15:50 – 16:30	Liu Guang Beijing Academy of Artificial Intelligence (BAAI)	OpenSeek: Exploring the Global Co-building Model of Open Science-Level Large Models

Part 3: Open Discussion

Time	Speaker	Topic
16:30 – 17:00	All Participants	Open discussion on AI frontier technologies, large models, AI Infra, etc.

Pre-Meeting Preparation

1. Send this agenda to all faculty members in advance; solicit participants (no more than 4) for each topic, and hold a small panel discussion after each presentation, allowing attendees from the floor to raise questions and join in.

2. This event is part of the global AI faculty development initiative. *AI Compute Faculty Development Initiative Schedule – 2026 2nd cohort*
